USER GUIDE:

- When a lesson is selected, you have the option to download later or take now

- Lessons can be completed all at once or saved for a later time

- Click “done” at the end of your lesson

- Once completed, results automatically go to agency

- Agency will follow up with participant

TIPS:

*Pick lessons that cater to the needs of your family

* You may want to do this on free Wi-Fi to avoid data usage

*Call your local agency for technical assistance, if needed
